

## **Social Cohesion in Contexts of Culture-led Urban Regeneration**

Bocconi University, Milan  
Wednesday, June 29, 2016

Preliminary program

### **10h Welcome and Introduction**

*Welcome to participants and presentation of the ITSSOIN research project*

Alex Turrini,  
Bocconi University

### **10h30 Social Cohesion in Contexts of Culture-led Urban Regeneration: the Case of Milan**

*Policies, actors and milestones: a dynamic perspective.*

*Description of the evolution of the social innovation stream (social cohesion in contexts of culture-led urban regeneration) in Milan and identification of the key actors, policies and milestones that lead up to it.*

The Bocconi-ITSSOIN WP4 Research Team (Arts and Culture):  
Alex Turrini, Aura Bertoni,  
Giulia Cappellaro, Giulia Cancellieri

### **11h30 Coffee Break**

### **12h A comparative analysis across different sectors (third sector, public and commercial)**

*Preliminary Results*

*Sample description: overview of the selected third sector, public and commercial organizations located in Milan and engaged in the development of cultural initiatives aimed at fostering social cohesion in contexts of urban regeneration. Explanation of the most important characteristics that determine their innovation capabilities and comparison among the 'magnitudes' of each organization's contributions to the social innovation stream.*

The Bocconi-ITSSOIN WP4 Research Team (Arts and Culture):  
Alex Turrini, Aura Bertoni,  
Giulia Cappellaro, Giulia Cancellieri

### **12h45 Open debate and discussion**

*Discussion on the preliminary findings of the research where different stakeholders (european partners, academics and practitioners in the field of arts and culture) give feedbacks from their own experiences.*

### **13h30 Lunch**
